2026 Midwest Reproductive Annual Symposium

About MRSi

For more than 20 years, MRSi has brought the reproductive industry together in a meaningful and productive way. Our vision to bring the world more babies by being a beacon of change, inspiring curiosity, pushing boundaries, advancing science, and uniting minds is brought to life at our annual symposium. There, MRSi promotes timely discussion of issues, trends, and innovations. Drawing an international audience of physicians, embryologists, nurses, allied health professionals, scientists, and business experts, MRSi is committed to a powerful, deep agenda of challenging, enlightening, revealing, and motivating content while providing continuing education credits in a rapidly advancing field. MRSi supports a membership, produces a Board Review Course in preparation for REI boards, as well as providing access to industry leaders and research. Our mission to provide a robust exchange of perspectives and insights for the multidisciplinary exploration of reproductive medicine ensuring informed, innovative, and inclusive care is why our annual symposium is so popular.

In Full Bloom

The Future of IVF

July 26-29, 2026 🌸 Chicago, IL 🌸 Drake Hotel

Our garden is blooming for MRSi, July 26-29, 2026 in Chicago. Get ready as we transform the Gold Coast ballroom into a vibrant exhibit hall, setting the stage for innovation and collaboration. Stop, smell the roses, learn and be inspired. Booth pricing ranges from \$4250-\$4750 and include lead capture. Secure your booth today!

Exhibition Details

The booth space is approximately 6' by 30" and includes one skirted six-foot table, electricity (if needed, must be selected during the registration process), and 2 conference badges. Additional badges can be purchased for \$200 through the MRSi website.

For more information including the latest availability of exhibit space and sponsorship opportunities, please see the MRSi website:
