

ACCREDITATION OVERVIEW
2026 Midwest Reproductive Symposium International
July 26-29, 2026
Chicago, IL

Target Audience

This activity is designed for physicians, nurses, psychologists, and other health professionals who are highly engaged in the practice of and research in reproductive medicine.

Learning Objectives

At the completion of this activity, learners should be able to:

- Identify new concepts, techniques, and treatment modalities relevant to the practice of reproductive medicine.
- Evaluate current clinical challenges to the effective and timely delivery of reproductive medicine, in vitro fertilization (IVF), and advanced reproductive technologies.
- Utilize methods to individualize treatment that incorporates new treatment modalities, techniques, and technologies.
- Address patient concerns which limit care through appropriate methods in clinical practice.
- Incorporate new evidence-based data pertaining to reproductive medicine in practice to improve clinical outcomes.

Activity Goal

This activity is designed to address the following core and team competencies:

Patient Care, Medical Knowledge, Professionalism, Employ evidence-based practice, Value & Ethics, Team & Teamwork, Interprofessional Collaboration, and Interprofessional Communication.

Non-Endorsement

The accredited provider verifies that sound education principles have been demonstrated in the development of this educational offering as evidenced by the review of its objectives, teaching plan, faculty, and activity evaluation process. The accredited provider does not endorse or support the actual opinions or material content as presented by the speaker(s) and/or sponsoring organization.

Disclosures

The accredited provider adheres to accreditation requirements regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity.
